

Colorado Step 5: Implementation

- ✿ **Training staff: moving from clinical skill set to leadership skill set**
 - ✿ **State level (Community Development Specialist)**
 - ✿ **community-level staff**
 - ✿ **Toni – new “branding” used by staff when answering phones**
- ✿ **Using marketing materials**
- ✿ **“Growing” your partners – Identify unique members in each community**
- ✿ **Communicating with families**
- ✿ **Feedback loops: state-community constant communication**
- ✿ **Building on existing coalitions/collaboratives**

CO: Redefining the Niche

- ✿ **Support staff as they transition from Clinical model to Leadership Model**
- ✿ **Expect the unexpected**
 - ✿ **Legislation/Policy**
 - ✿ **Non-profits fill the gaps**
 - ✿ **Let others shine**
- ✿ **Community Champions will be uncovered**
- ✿ **Be clear on the Title V role**

CO Step 5: Implementation

Organized our work into two focus areas:

- **Care Coordination**
- **Local Systems Building**

Utah Step 5: Implementation

- ✿ **We are not where we thought we would be but...**
 - ✿ **Assessment of what is and what is needed is valuable on its own**
 - ✿ **Allows programs bureau to be ready to act when times are better and fewer constraints**
 - ✿ **Encourages to think outside the box**
 - ✿ **Tele-medicine**
- ✿ **Promote existing strategies such as....**
